

Attra enters into a strategic partnership with Codix S.A.

PRESS RELEASE

Melbourne and Athens, August 12th, 2013: Attra, a leading Cards & Payments services specialist has entered into a strategic alliance with Codix SA, a Greece headquartered company offering solutions and services in banking and financial systems. As part of this alliance, Attra & Codix will jointly provide end-to-end services on Postilion, a leading payments switch. Attra will take the joint proposition of consulting, development, testing & sustenance services to customers & prospects across Asia Pacific, USA & MENA regions.

“We are delighted to announce our partnership with Codix. Both Attra and Codix are specialists in the Payments Systems space and through this strategic partnership we would be able to offer end-to-end services to customers across the globe.”, said Prasad Guntupalli, CEO & Co-founder of Attra on the partnership.

“We are very pleased to announce our partnership with Attra. Recent developments in the Payments ecosystem, both technical and commercial have increased the need in the Postilion user community for enhanced agility and responsiveness as well as cost effective and innovative solutions. Attra and Codix can leverage on their respective strengths and offer customers such solutions world-wide.”, said Chris Pappas, CEO of Codix SA. The newly formed partnership will be able to benefit customers & prospects globally by providing domain expertise, scale of global service delivery and speed to market in a cost efficient manner.
